Equipment Technician

Greensburg Country Club
309 Pleasant Valley Road
Jeanette PA 15644

Type of Club: Private 18-hole golf course located in Greensburg PA

Equipment Technician

Greensburg Country Club is seeking a Head Mechanic/Equipment Technician to join our team. Greensburg Country Club is a private club committed to continuous improvement. Along with providing championship-level course conditions and first-class membership experience, we pride ourselves on fostering a team-oriented environment where we challenge and elevate one another each day.

This position is responsible for the maintenance, diagnosis, repair, and overall management of the golf course equipment fleet. The role works closely with the Superintendent, Assistant Superintendents, and Grounds Staff to ensure the operation runs efficiently, safely, and at a high standard each day.

We are seeking a candidate who is organized, proactive, detail-oriented, and motivated to continually improve and modernize the equipment management program.

Daily Responsibilities:

- Perform preventative maintenance.
- Diagnose and repair hydraulic, electrical, diesel, gasoline and small engine systems.
- Grind and adjust reels, bed knives, and rotary blades.
- Maintain accurate service records and necessary tracking documents.
- Assist with equipment setup and preparation for daily course maintenance.
- Maintain an organized and safe equipment facility.
- Assist the grounds staff operational need when necessary.
