Employment Opportunity – Golf Course Superintendent

Grove City Country Club 73 Country Club Rd Grove City, PA 16127

Grove City Country Club is an 18-hole member owned facility for its members and guest to enjoy throughout the year. The golf course is two distinct nine holes that make up the 18 holes. The front 9 is a Tom Bendelow lay that was built in 1917. The back nine was addition in 1998 designed by John Poncho. The golf course has been called a hidden gem among the golf courses in Western Pennsylvania from golf professionals to everyday guest that enjoy the tree lined front nine and then the more open back nine.

Golf Course Superintendent Job Description:

The golf course superintendent is responsible for the over-all grounds for the club, managing employees, preparing the conditioning of the golf course for play every day. He/she will be responsible for the purchasing of the equipment, fertilizer, and chemicals and other agronomic materials to be used for the golf course. He/she will also be responsible for managing a budget of \$610,000.

He/she will be able to communicate with the board, members and guest and staff effectively. A strong work ethic and a positive attitude along with strong organizational skills. The ideal candidate will be able to train and supervise tenured employees.

Candidate Qualifications:

The candidate will have a proven track record as either an assistant superintendent or as a golf course superintendent at an 18-hole facility.

- 3-5 years' experience as a Golf Course Superintendent or 1st Assistant.
- 2-year degree or certificate in turf management or related field.
- Pesticide Application License preferred.
- Knowledge of management and maintenance of greens, fairways, and roughs.
- Ability to operate standard equipment and tools used in golf course maintenance.
- Knowledge of safe use, mixing and application of chemicals and commercial products.

This information is provided for the GPGCSA membership only and may not be re-printed, copied or placed with any employment service without the written permission of the GPGCSA Board of Directors

- Strong ability to lay out irrigation patterns, drainage patterns, construct tees and/or greens.
- Well-developed verbal, written and interpersonal skills.
- Ability to promote positive relations with members, guests, and staff.
- Strong ability to organize and prioritize work to meet deadlines.
- Ability to work independently as well as collaboratively with a team.
- Ability to work irregular hours & weekends.

Benefits:

Salary: \$70,000 to \$90,000 depending on experience.

Paid Insurance, vacation time, holiday bonus, meals provided at the club during working hours, national and local dues associations paid.
