

Employment Opportunity

- Position Available:** Superintendent
- Hannastown Golf Club
441 Blank School Road
Greensburg, PA 15601
- Club Information:** Private/member owned 18 Hole Golf Course. In 2021, we underwent a full bunker renovation that was completed by Aspen Golf Management. We also updated our irrigation computer system and replaced our irrigation pumps. The golf course has always had the reputation of being a well-manicured golf course with fast greens. This tradition must continue.
- Job Description:** Requires a motivated, hands-on professional to work with our experienced staff. We are looking for a Superintendent who can develop a team that executes at the highest level. If you have a strong technical ability and clear understanding of soil and grass management, including working knowledge of agronomy, we would like to talk to you about your potential with us.
- The role requires experience and understanding of irrigation systems, safe pesticide scheduling and applications, landscaping design and upkeep. Will work to create an environment where staff is involved and enthusiastic, with open communications and respect for themselves, members, guests and the property.
- Position Responsibilities:**
- Maintains all grounds including the golf course, clubhouse surrounds and other maintainable property
 - Supervises all planting, fertilizing and chemical applications, and other care of turf, plants, shrubs and trees on the golf course and clubhouse surrounds
 - Supervises Assistant Superintendent, and other employees in the maintenance department
 - Informs Board of Directors about present and future maintenance activities
 - Coordinate's scheduling of all personnel assigned to the department
 - Communicates frequently with the Greens Chairman and Board of Directors to discuss activities, goals, plans and member/customer feedback.
 - Prepares and manages annual budget plan for the golf course maintenance
 - Maintains inventory and oversees all repairs and scheduled maintenance of all maintenance equipment
 - Implements and enforces comprehensive safety program for employees of the maintenance department
 - Supervises maintenance and operation of drainage, irrigation and other mechanical watering systems
 - Develops chemical and fertilizing plan on an annual basis
 - Ensures that the golf course is providing healthy and high-quality playing conditions for members and guests
 - Prepares and maintains all recordkeeping for maintenance department (i.e. Human Resource files, inventory files, fertilization and chemical application logs)
 - Perform other duties as assigned by Greens Chairman or Board of Directors
 - Communicates on daily basis during the golfing season with Club Professional on playing parameters/restrictions of the golf course

Experience Requirements:

- 3-5 years turf grass management experience required
- Supervisory, coaching and staff development experience preferred
- A four-year college or associates degree preferred
- Knowledge of budgeting and expense management
- Knowledge of local, federal, and state laws and regulations affecting management of golf course operations
- Must have a strong business aptitude and passion for the golf business
- Must possess strong analytical and problem-solving skills
- Must be highly organized and efficient with a high attention to detail
- Must have exceptional communication and interpersonal skills
- Must have basic computer skills, Word and Excel
- Currently hold or willing to obtain PA Pesticide License
- Experience working with poa annua

Professional Benefits: Negotiable

Starting Salary: Based on Experience

Position Available: May 1, 2021
