Kittanning Country Club (Armstrong County) is a private 9-hole member-owned facility. The course is an Emil Loeffler design largely unchanged since its 1922 opening. The course has a strong reputation throughout western Pennsylvania for the condition of its green complexes. The irrigation system was largely overhauled in 2021. Manages pesticide applications and/or operates and calibrates pesticide application equipment; oversees and participates in the operation and maintenance of pumps, and in the maintenance of irrigation and drainage systems. He/she will be responsible for managing a budget of approximately \$350,000.
