Employment Opportunity – Golf Course Superintendent

Kittanning Country Club
218 Bell Top Drive
Kittanning, PA 16201
www.kittanningcountryclub.com

Kittanning Country Club (Armstrong County) is a private 9-hole member owned facility. The course is an Emil Loeffler design largely unchanged since its 1922 opening. The course carries a strong reputation throughout western Pennsylvania for the condition of its green complexes. The irrigation system was largely overhauled in 2021. Potentially this may be a good fit for an individual either in the early stages or later part of their career.

Job Description:

The golf course superintendent is responsible for the overall grounds of the club, managing grounds crew employees, preparing the conditioning of the course for play each day. He/she will recommend the purchase of new equipment, repair of existing equipment, chemicals and fertilizer and other agronomic materials to be used for the course. He/she will be responsible for managing a budget of approximately $300,000.

Qualifications:

- Experience and knowledge of management and maintenance of greens, fairways and roughs.
- Ability to both operate and do basic maintenance and repairs on standard equipment and tools used in golf course maintenance.
- Knowledge of safe use, mixing and application of chemicals and commercial products.
- Experience in operating, as well as the basic repair, of a course irrigation system.
- Two-year degree or certificate in turf management or related field (or working toward such degree).
- Pesticide Application License preferred.
- Ability to build team and promote positive relations with members and staff.
- Ability to organize and prioritize work to meet required deadlines.
- Ability to work irregular hours and weekends during golf season.

Salary:
　　　　　　Starting range between $45,000 and $55,000.

Send resumes to:
　　　　　　Greg McKelvey – General Manager, 724-543-2014.
